REGERMINATION FORM FOR CARRYOVER SEEDS

Dear Customer:

State seed law in **IL, OH, IN and MI.** requires that all germination dates on **TURF SEED** be not older than **(15) fifteen months preceding the date of sale**. State seed law in KY. requires that all germination dates on turf seed be not older than (9) nine months preceding the date of sale.
For **FORAGE SEED customers in IN**, the law requires **(9) nine months** from the test date on seed tags. For forage seed customers in **IL, OH, MI, KY**, the law requires **(5) five months** from the test date on seed tags.
If you have any carryover seed that was purchased from CISCO last spring or any other time, you need to fill out this form and return it to us at the address below. Please include with this sheet a sample of each lot of seed that needs a new regermination tag, plus a copy of the old seed tag. This is a service provided by CISCO at a charge of $6.00 per lot number for straight seeds and $15.00 per mixture or blend. You will receive an invoice for this charge when regermination reports are returned from the testing laboratory. A copy of the current test will also be forwarded to you.

To take advantage of this service:

1. Fill in the following form completely.
2. For 2 years or older seed lots send a sample of at least 400 seeds.
3. Send this form and samples to: **The *CISCO* Companies, Attn. Stephanie Houghton**
   602 N. Shortridge Road, Indianapolis, IN 46219 or email to: **stephaniehoughton@ciscoseeds.com**
4. Please return one original tag from the seed to be tested, so we may furnish new tags with new germination rates for your spring seed sales. **Fax # 800-853-9333**
5. **DO ALL THIS AND RETURN TO *CISCO* BY February 28, 2020.**
