March 9, 2020

Dear Valued Customer;

On behalf of The CISCO Companies, we hope your Spring is off to a strong start. We are pleased to offer our **Weekly Ag Price List**.

We are noticing that our pricing from vendors has been changing more often than in the past months. Much of this is due to the Coronavirus. Therefore, it is causing some of the ingredients to spike. Some of the ingredients that we have seen the biggest increase in is Biotin, Blood Meal and Vitamins.

We have received many letters from our vendors indicating that they are considering their prices valid for the day they give them to us. They recommend before putting in a purchase order to verify the prices so neither you or us get any surprises. They are going to notify us when prices change as much as they can over the next few months.

As always, The CISCO Companies is committed to providing the best products at the most cost effective pricing to you. Thanks for your patronage of our company and products.

Finally, PLEASE keep in mind that our **PRICES ARE SUBJECT TO CHANGE W/O NOTICE** on our Ag Price List. This has always been on the price list, but we are going to have to enforce this more than we have in the past due to the changes that we are experiencing right now. Remember to **call to confirm pricing**.

We appreciate your understanding and support during this time. Feel free to call us anytime to check **current** prices with your inside or outside sales team member.

Sincerely,

Chris Wickard  
Ag. Div. Mgr.

June Schroeder  
Ag. Asst. Mgr.

Bill Watson
